

Glossary

The „**Glossary**“ activity allows participants to create and maintain a list of definitions, similar to a dictionary.

- [Configure Glossary](#)

Here you will find information on how to create a glossary in the course and what settings you can configure for a glossary.

- [Using Glossary](#)

This article describes how to create a glossary entry, how searching in the glossary works, how you can comment and rate glossary entries, and which usage scenarios for glossaries are conceivable.

- [Glossary FAQ](#)
