Glossary

The Glossary activity allows participants to create and maintain a list of definitions, similar to a dictionary.

- Configure Glossary
  Here you will find information on how to create a glossary in the course and what settings you can configure for a glossary.
- Using a glossary
  This article describes how to create a glossary entry, how searching in the glossary works, how you can comment and rate glossary entries, and which usage scenarios for glossaries are conceivable.
- Glossary FAQ
  Frequently asked questions about the learning activity glossary
