

Zoom Meeting

With Zoom web conferences can be held from within moodle.

Please also see the notes on [Web conferences](#) in general and [Zoom](#) in particular.

Create a Zoom meeting in Moodle

Prerequisite: You have logged in to [Jade HS Zoom](#) for the first time (with HS credentials, "SSO").

Add and configure Zoom meeting in Moodle.

1. **Turn on editing** (in the course room > gear > "Turn on editing").
2. **"Create material or activity"**, the selection will open.
3. Select **"Zoom Meeting"** (at the bottom of the list) and **"Add"**.
4. **Make settings**
 - Topic (mandatory field), appears on the course main page.
 - Duration: "recurring", if the meeting room is used several times.
5. Finish with **"Save ..."**.

Recurring meetings in Moodle

For weekly recurring meetings in Zoom, select the "This is a recurring meeting" option.

Zeitplan

Wann 

Dauer (in Minuten)

Wiederkehrendes Meeting ☒ Dies ist ein wiederkehrendes Meeting 

Wiederkehr

Wiederholen alle Woche(n)

Ereignet sich am ☐ Sonntag ☒ Montag ☐ Dienstag ☐ Mittwoch ☒ Donnerstag ☐ Freitag ☐ Samstag

Enddatum ☒ Am  ☐ Nach Ereignisse

Then you can set the frequency of the "recurring", e.g. weekly.

The series meetings will then appear under "Current Meetings" and in the "Calendar" on the student dashboard. These meeting can only open on the set date.

A recurring meeting with the "No specific time" option can be started at any time. However, it will not appear on the dashboard.
