Delete course room

Course rooms can be selected for deletion.

> Courses with three „xxx" prefixes in their names are regularly deleted from the system. Course backups will also be deleted.

.

If necessary, please save work results and assignments in advance: Save course content.

Hide your course room first, it will only be visible to enrolled „Teachers" and Managers (Hide course room).
Add the string „xxx" in the course name, e.g. „xxx_course_name SoSe24/Lecturer". Save the change.
