

# Files and uploads

Setting up the **Maximum upload size** limits also the maximum attachment size in [forums](#) and maximum submission size in [assignments](#).

You have various options to include files in your moodle course.

- [Make files available in course](#)
- [Move multiple files at once or with folder structure: ZIP directory](#)
- [Delete a file](#)
- [Load file directly from CCS/NextCloud](#)
- [Replace a file with a newer version](#)
- [Use a file in multiple places \(alias function\)](#)
