

Hide sections

Edit course sections

You can **add**, **edit** and **delete** course sections.

1. Turn on „**Edit mode**“.
2. Click on the three dots on the right side of the desired section and select „**Edit settings**“.

3. You change the following items:

- Name
- Description
- Prerequisites

Move course sections

1. Turn on „**Edit mode**“.

2. To move a section either use the option „**Move**“ () in the dropdown-menu or hover the mouse cursor over the section and click and hold to drag the section to the desired location.

You also can use the dropdown-menu to „  Hide topic “ or „  Delete topic “ .

Add course section

To add a new course section, scroll down to the bottom of your course page. Then click on „**Add Topics**“
