

# Dashboard

The course overview on your personal dashboard shows your courses.

You can choose which courses are shown, filter courses by time period, as well as change the display.

The picture („tile“) for the course can be edited by the instructors for their own course room respectively. „My courses“ (in the navigation) shows your current courses.

The screenshot shows the Moodle dashboard interface with several annotations in red and green boxes:

- Kurse suchen** (green box) points to the search bar at the top.
- Profil und Einstellungen** (red box) points to the user profile and settings link in the top right.
- Nachrichten zu Moodle** (red box) points to the 'Neue Ankündigungen' (New Announcements) section on the right.
- Fällige Aktivitäten** (red box) points to the 'Aktuelle Termine' (Current Dates) section on the right.
- Termine für Kurse oder Jede HS** (red box) points to the calendar section on the right.
- Kurse filtern, z. B. - Laufende oder - Favoriten** (green box) points to the course filter dropdown in the 'Kursübersicht' (Course Overview) section.
- Darstellung ändern, z. B. - Kachel oder - Liste oder - Beschreibung** (green box) points to the view toggle buttons in the 'Kursübersicht' section.
- Navigation** (green box) points to the left sidebar menu.
