

Dashboard

The course overview on your personal dashboard shows your courses.

You can choose which courses are shown, filter courses by time period, as well as customize the display.

The picture („tile“) for the course can be edited by the instructors for their own course room respectively. „My courses“ (in the navigation) shows your current courses.

The screenshot shows the Jade Moodle dashboard with several interactive elements highlighted:

- Kurse suchen** (Search for courses) button in the top navigation bar.
- Profil und Einstellungen** (Profile and settings) button in the top right corner.
- Nachrichten zu Moodle** (Moodle news) box in the top right corner.
- Fällige Aktivitäten** (Due activities) box in the top right corner.
- Kurse filtern, z. B.** (Filter courses, e.g.) box with sub-options: - Laufende oder - Favoriten.
- Darstellung ändern, z. B.** (Change representation, e.g.) box with sub-options: - Kachel oder - Liste oder - Beschreibung.
- Termin für Kurse oder Jade HS** (Term for courses or Jade HS) box in the bottom right corner.
- Kalender** (Calendar) section showing the month of September 2020 with specific dates highlighted in green, orange, and red.
