

# Dashboard

The course overview (in the middle or at the bottom of the dashboard page) on your personal dashboard shows your courses.

You can choose which courses are shown, filter courses by time period and change the display. The image („tile“) for the course can be edited by the teachers for their own course room.

The screenshot shows the Moodle dashboard with several key features highlighted:

- Navigation Bar:** Shows 'Dashboard' as the active tab.
- Course Search:** A search bar for finding courses.
- Dashboard Overview:** A section showing recently visited courses (e.g., 'Was kann Moodle?', 'Jade Moodle').
- Course Overview:** A list of courses with filters for 'Laufende' (running) and 'Suchen' (search).
- Course Tiles:** Examples of course tiles showing course names and descriptions.
- Profile and Settings:** A sidebar with 'PROFIL UND EINSTELLUNGEN' and 'Block hinzufügen' (add block).
- Due Activities:** A section showing 'FÄLLIGE AKTIVITÄTEN' (due activities) and a 'Kalender' (calendar) for 'TERMINE (KURSE ODER JADE HS)'.
- Calendar:** A monthly calendar for July 2023.
- Announcements:** A section for 'Neue Ankündigungen' (new announcements) with a list of recent posts.
- Messages:** A section for 'NACHRICHTEN ZU MOODLE' (messages to Moodle).

You can see courses in which you are a teacher or participant on the dashboard in the course overview after you have registered. You can return to this view at any time by clicking on „**Dashboard**“ in the top navigation bar.

You can find more courses with the „**Course search**“. You can search for the name of the course, the lecturers and words in the course description.

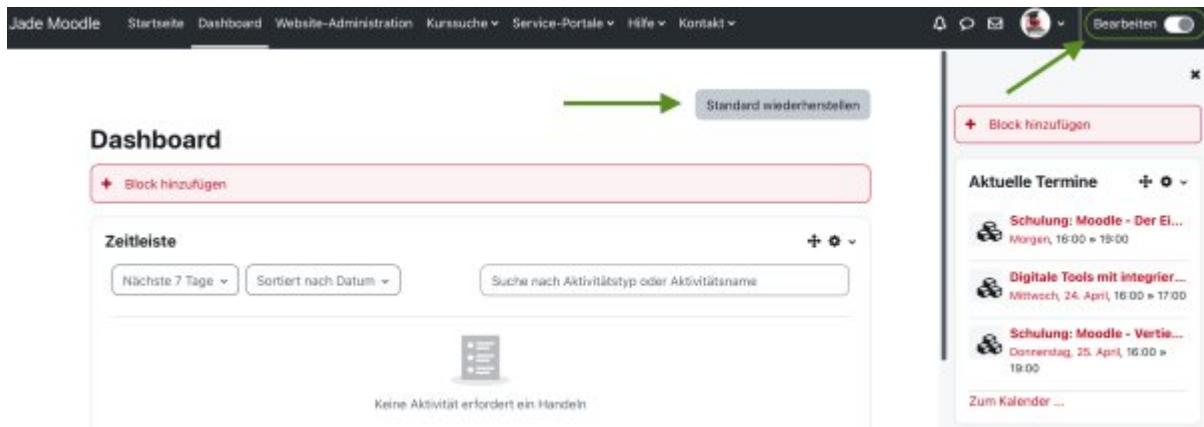

## Edit dashboard

You can design the dashboard as you wish (move / add blocks, filter course overviews, etc.). To do this, activate the „**Edit mode**“ button on the dashboard page (see image below).

## Restore default settings

If you no longer see any courses on the dashboard or if you have accidentally moved or deleted a block, you can restore the default settings of your dashboard:

1. Click on the „**Dashboard**“ in the course navigation.
2. Activate „**Edit mode**“.
3. Click on the „**Reset page to default**“.

The screenshot shows the Moodle dashboard. At the top right, there is a user profile icon and a 'Bearbeiten' (Edit) button with a green arrow pointing to it. Below the header, there is a 'Standard wiederherstellen' (Reset to Standard) button. The main area is titled 'Dashboard' and contains a 'Zeitleiste' (Timeline) section with a 'Keine Aktivität erfordert ein Handeln' (No activity requires action) message. To the right, there is a sidebar titled 'Aktuelle Termine' (Current Events) listing three events: 'Schulung: Moodle - Der Einstieg' (Moodle - The Introduction), 'Digitale Tools mit integrier...' (Digital Tools with integrated...), and 'Schulung: Moodle - Vertie...' (Moodle - Deepen...). A green arrow points from the 'Bearbeiten' button on the dashboard to the 'Bearbeiten' button in the top right corner of the sidebar.

## Mark and display favorites

For a better overview, you can mark courses as favorites on the dashboard:

The screenshot shows the Moodle dashboard with two course cards. The first card is for 'Moodle - der Einstieg 07.09.2021 (Zentrale)' by 'Moodle-Einstieg 07.09.2021'. It shows a progress bar at 3% abgeschlossen and a red 'Kurs als Favorit markieren' (Mark course as favorite) button with a red circle around it. The second card is for '★ Video in der Lehre (Demo-Kurs)' by 'Moodle-Support'. It shows a grey geometric icon and a red 'Kurs aus Ansicht entfernen' (Remove course from view) button with a red circle around it. A red arrow points from the 'Kurs als Favorit markieren' button to the 'Kurs aus Ansicht entfernen' button.

To display only favorite courses in this list, specify the following setting:

The screenshot shows the Moodle 'Kursübersicht' (Course Overview) page. At the top, there is a 'Alle' (All) button, a search bar, a sorting dropdown, and a list view button. A red arrow points from the 'Alle' button to the 'Favoriten' (Favorites) button, which is highlighted with a red background. The main list shows courses: 'stkurs Kirschner' (Laufende), 'zum Testen' (Künftige), 'Moodle-Einstieg Oldenburg 13.09.2023 Zentrale' (Vergangene), and 'Moodle - Der Einstieg 11.09. und 13.09.2023' (Favoriten). Each course has a red '... More' button to its right.
