

Navigation

The path navigation in Moodle is used for orientation. You can always see which course and which course areas you are in, e.g:

Digitale Lehre kompakt

[Dashboard](#) / [Meine Kurse](#) / [Support und Schulung](#) / [Digitale Lehre kompakt](#)

Note: The pledge navigation in the image shows the path to the course “[Digitale Lehre kompakt](#)”, which we would like to recommend for familiarization with moodle.
