

Offer courses

The platform [Open Jade University](#) can be used for offers and projects by members of the Jade University that take place together with people without Jade University access data.

Would you like to offer courses on [Open Jade University](#)?

1. Log in with your university access data.
2. [Request a Moodle course room](#).

We would be happy to advise you - [Contact](#)

Make courses available to guests

Courses can be opened for guests, these can then be viewed without login but cannot be edited. The course can also be displayed in the „Courses with guest access“ list.

1) Activate guest access

- First activate the enrolment method „[Guest access](#)“ in the course as usual, if necessary with a password/enrolment key.
- Users can now enter the course as a guest.

[gastzugang-kurseinstellungen.mp4](#)

Infos zum Gastzugang einstellen

2) Set the „Guest access“ notice

- Activate the note „**Guest access**“ (appears in the course overview): In the course in the „**Settings**“ tab under „**Other fields**“, check the „**Guest access**“ box.
- This setting is only for information.

Kurs "Vorbereitung für tolle Sachen" 🔒 ➡

Hier könnte Ihr Vorbereitungskurs stehen. Dies ist nur ein leeres Beispiel für einen Online-Vorkurs der Jade Hochschule, der hilft, die Grundlagen von (Thema hier einfügen) zu erlernen.

Gastlogin: Ja

Kursbeginn: 8. Mai 2023

Kursdauer: 3 Wochen

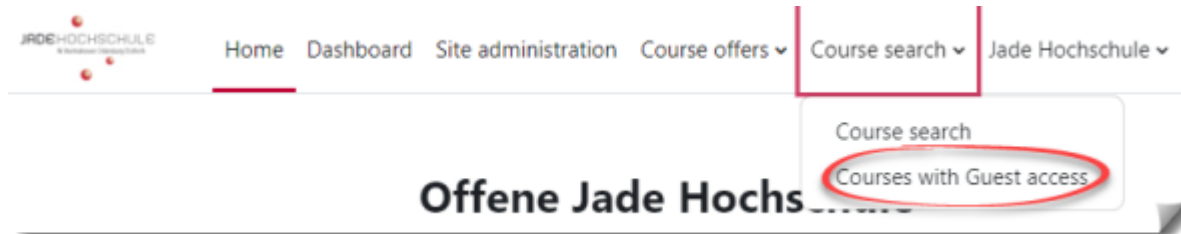

Kurstyp: Selbstlernkurs

Course

with „Gastzugang“ (Guest access) in the course overview

3) Display the course under „Courses with guest access“

- Display the course under „**Courses with guest access**“: Add the entry „-Guest access“ in the „**Settings**“ tab under „**Tags**“ in the course.
- This setting makes your course detectable for interested visitors of the site.

Tagged

courses will appear in the Search for „Courses with Guest access“
