Questions

Create and compile test questions

- 1. Click on the test. Open the action menu (cogwheel) and select "Edit test content".
- 2. Click on "Add" and "Add questions".
- 3. Select a question type.
- 4. Depending on the selected question type, the question is now configured and saved.

Shuffle questions: The test questions can be displayed in random order within a test. More information on this on Moodle.org.

Extended cloze (gapfill)

The extended cloze is another question type that is provided as a supplement in Moodle. Instructions

Download essay submissions

To download files submitted by all students (all attempts) as attachments in response to quiz essay questions, proceed as follows:

- 1. Go to the test/quiz page.
- 2. Under "Results" select the item "Download essay submissions".
- 3. On the next page you can "Set folder hierarchy":
- Sort by question: "Essay question wise" or sort by person: "User attempt wise"
- "Include text response file: Yes"
- "Include question text file: Yes"
- Click on "Download" button.
