2025/09/09 05:03 1/2 Camtasia and Snagit

# **Camtasia and Snagit**

Field of use: Creation/editing of videos and screencasts

**Runtime:** 07.02.2025

**License:** Teaching stuff of Jade University

**Contact:** Sabine Helmke (digitale-lehre [at] jade-hs.de)

Camtasia is a software for creating screencasts/screen recordings and video editing, while the slimmer Snagit is suitable for quickly creating and editing screencasts/screenshots.

### **License terms**

The license key may only be used by the teaching staff of Jade University of Applied Sciences as well as student assistants with contracts of 50% working time or more.

The license is initially granted for 12 months and can be extended by the Jade University. After that, the license expires (as of May 2024).

## **Usage in PC network system**

Users with a rightfull licence may use Camtasia and Snagit from the PC netzwork system

- Open the "Start" menue and
- search for "ZENworks applications"
