

Cisco Webex

Cisco Webex is used at Jade University as a universal software client for telephony, meetings and messages. This combines the functions of Cisco Jabber, Cisco Webex Meetings and Cisco Webex Teams in one software/app. Information and instructions on how to use Webex can be found in the [HRZ-Wiki](#).

Include Webex meeting in moodle course

You can integrate Webex meetings into your moodle course using the activity “**External Tool**”.

To do this you need to integrate the Webex Education Connector into the desired course.

Instructions

1. **Turn on editing**
2. in the desired course section “**Create activity or material**”.
