Set up and use polls

Requirements:

- Licensed use (set up or start meeting in Moodle for this purpose).
- Current browser or current desktop client (mere participation also possible with app)
- See also Surveys in meetings (Zoom, 19.11.2020)

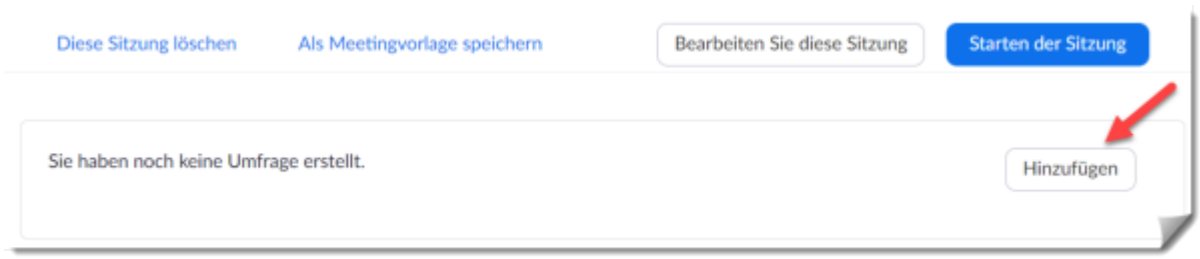

Creating a poll in the meeting

1. Start the meeting.
2. Click on the entry „Polls“ in the menu bar at the bottom.

Alternatively: Prepare a poll in the portal.

1. In the „My Meetings“ section, click on the meeting.
2. At the bottom of the page, polls can be created or edited.
