Installation and login

Install the Zoom application and log in with your university access data.
Participants in a Zoom meeting do not need to register.

Exception: The host requires **authentication**. Then a login via SSO is required (see below).

1. Download the Zoom application.
2. Install the application: Run the file „ZoomInstaller.exe“.
3. Log in with your University access data.

- The company domain is: **jade-hs.zoom.us**.

Teachers start the Zoom Meeting via Moodle. Students call up the Zoom meeting via their course room. External participants can join meetings, e.g. if they receive the joining link. Help page on zoom.us
