Zoom

Zoom enables lecturers, students and employees of Jade University of Applied Sciences to hold video conferences.

Video conferences with up to 300 people can be held without time limits. Teachers (or the role „Teacher") can create Zoom meetings in Moodle. For weekly recurring meetings, a recurring meeting in Moodle is recommended.

- Zoom Portal of Jade HS https://jade-hs.zoom.us
- Download Zoom Client as well as Plugin MS Outlook
- Install Zoom and log in with university access data
- Set up and conduct meetings
- Check and update client version
- Set up and use polls

- How we protect your data in the best possible way
- What you can do to hold a meeting safely

- Frequently Asked Questions (FAQ)

For further information, questions about usage and in case of technical problems, please contact Moodlesupport.
